I would like to introduce myself and try to determine why some of the residents of Hillsboro City School District have chosen to place their children at schools other than Hillsboro.

My name is Arthur Reiber and this is my first year as superintendent at Hillsboro. My previous administrative experience has been at Greeneview Local Schools in Greene County. While at Greeneview, I was superintendent for 16 years and elementary principal for 9 years.

In order for me to help Hillsboro Schools become more effective and appealing to our students and parents, I felt a good place to start was with the parents of students who have left our district. If you would take a few minutes to share the reason(s) why your child(ren) are not attending Hillsboro City Schools, it would be greatly appreciated and it would provide me with valuable information.

Please mark the reason(s) why your child(ren) is not attending Hillsboro City Schools. Please check all reasons that pertain and please make additional comments.

My work location (It is more convenient to have them in the same town that I work).

I felt my children had a better opportunity for extracurricular participation at a smaller school.

I changed school because of religious reasons.

I had problems with a teacher and/or administration.

I got tired of the school calling with discipline problems.

I felt Hillsboro was not meeting my child's needs. Please explain: \_\_\_\_\_
